OSSAPCON 2027

56th Annual Conference Of Orthopaedic Surgeons Society Of Andhra Pradesh

Organised by :
Dept of Orthopaedics, GSL MC & ROSA

Venue:
GSL Medical College
Rajahmundry.

29th to 31st January 2027

Website:
www.ossapcon2027.com

Location:
GSL Medical College
Rajahmundry.

Dear Esteemed Colleagues,

Well-Wishers, and Supporters,

We are honoured to welcome you to the **56th OSSAPCON 2027, hosted at GSL Medical College, Rajahmundry** — an institution renowned for academic rigor and clinical excellence. Hosting this milestone edition here reflects the institute's growing stature as a hub for advanced orthopaedic learning.

This year marks a historic first: for the very first time at any state-level orthopaedic conference, we have a dedicated cadaveric workshop on soft cadavers, offering surgeons unmatched hands-on training in advanced techniques and anatomical precision — a scientific leap rarely seen at the state platform.

We also have live surgeries from Arthroplasty , Arthroscopy and spine specialties. Complementing this flagship workshop are multiple specialized sessions catering to diverse orthopaedic sub-specialties, alongside the presence of nearly **20 national and 50 state expert faculty for panel discussions** and to share their experiences on complex aspects while dealing with complicated cases, creating an extraordinary confluence of knowledge and mentor ship.

Together, these achievements make the **56th OSSAPCON** a true academic excellence feat. We invite your generous support to help sustain this landmark initiative — enabling world-class training, faculty engagement, and lasting impact on surgical education.

With gratitude and Anticipation,

Organizing Committee, **56th OSSAPCON 2027**.

In addition to Academic feast, there will be excellent social events in the evenings, and also can visit sacred places and nurseries near by.

OSSAP PRESIDENT'S MESSAGE

Dr. U. Venkata Ramana
OSSAP President

It is a matter of great pleasure and privilege to extend my warm greetings to all the delegates, esteemed faculty, and members of the orthopaedic fraternity attending 56th OSSAPCON '27, at Rajahmundry. The annual conference of the Orthopaedic Surgeons society ofAndhra Pradesh (OSSAP) has always been an important platform for academic exchange, professional interaction, and strengthening the bonds of our fraternity. It is encouraging to see our specialty continuously evolve with advances in technology, surgical techniques, evidence-based practices, and multidisciplinary patient care.

OSSAPCON '27 brings together some of the finest minds in orthopaedics, providing an opportunity to share knowledge, discuss contemporary practices, exchange clinical experiences, and inspire the next generation of orthopaedic surgeons. I am confident that the scientific deliberations will be stimulating and contrite meaningfully to improving patient care

Equally important is the spirit of friendship and fellowship that defines OSSAP. I hope this conference will provide ample opportunities to renew old associations, create new friendships, and strengthen our collective commitment to the advancement of orthopaedic care in Andhra Pradesh.

I congratulate the organising team for their dedicated efforts in bringing this prestigious conference to Rajahmundry, a city blessed by the majestic Godavari and rich in culture and heritage.I warmly welcome you all to OSSAPCON '27 and wish you an academically rewarding, professionally enriching, and memorable experience.

With best wishes and warm regards,
Dr. U Venkata Ramana
President OSSAP

OSSAP SECRETARY'S MESSAGE

Dr. T. Vijaya krishna Reddy
OSSAP GENERAL SECRETARY

It gives me immense pleasure to welcome you all to 56th OSSAPCON ,Rajahmundry.This conference is a celebration of the spirit of the orthopaedic fraternity, bringing together eminent teachers, experienced practitioners, and young orthopaedic surgeons on a common platform for learning, sharing, and academic exchange.

The field of orthopaedics is witnessing remarkable advances in trauma, joint replacement, arthroscopy, sports medicine, spine surgery, and minimally invasive techniques. OSSAPCON '27 aims to provide

an enriching scientific programme featuring contemporary topics, practical insights, interactive discussions, and opportunities to learn from the experience of our distinguished faculty.

Beyond academics, the conference is also an occasion to renew friendships, build new professional relationships, and enjoy the warmth and hospitality of Rajahmundry on the banks of the magnificent Godavari.

I sincerely thank our esteemed faculty, delegates, organising committee, and all those who have supported us in bringing this conference together.

I warmly welcome you all to 56th OSSAPCON2027 and look forward to a memorable academic and social experience in Rajahmundry.

With warm regards,
Dr. T Vijay Krishna Reddy
Secretary OSSAP

Andhra Pradesh,

The Godavari & River Culture

The Godavari is at the heart of Rajahmundry's identity. Its ghats, riverfronts, boat rides and scenic surroundings are deeply connected with local traditions and celebrations. The city becomes especially vibrant during major religious occasions and Godavari Pushkaralu.

Telugu Literature & Arts

Rajahmundry has a strong association with Telugu language and literature. The city is historically connected with Nannaya, regarded as the first poet of the Telugu Mahabharatam tradition. Telugu poetry, music, theatre and classical arts remain important elements of the region's cultural heritage.

Nature & Surroundings

Beyond the city, the Godavari region is known for lush greenery, river landscapes and scenic destinations. The wider East Godavari area provides a beautiful combination of rivers, temples, villages and forests.

GSL Medical College & Hospital, Rajamahendravaram

GSL Medical College & Hospital, Rajamahendravaram, is a prominent medical education and healthcare institution in Andhra Pradesh. The campus provides an integrated environment for medical education, clinical training, healthcare services and academic activities, making it a suitable venue for conferences and professional gatherings.

Well Connected by Air, Rail & Road

Rajahmundry is conveniently connected to major cities across Andhra Pradesh and India, making travel to the conference venue accessible for delegates.

By Air
Rajahmundry Airport

Rajahmundry Airport is located at Madhurapudi, approximately 15–20 km from central Rajahmundry

By Rail

Rajahmundry Railway Station is an important railway station on the Howrah–Chennai main railway route.

By Road

Rajamahendravaram by bus stations connected to across Andhrapradesh .
